

Minnesota Transitions
CHARTER SCHOOL

To Whom It May Concern:

It is my pleasure to be able to write a letter of recommendation for Brady Fossenbell. I have known Brady for two years as he works as an ESL teacher at Banaadir Academy.

Mr. Fossenbell and I have worked closely on a few projects. The most recent one was when he was advocating and researching best practices for educating SLIFE (Students with Limited or Interrupted Formal Education). The result of working with his fellow peers, the ELL Coordinator, and myself, the “New Comers” classrooms were rolled out this year.

Brady had in place the “Reading Buddy” volunteer program before I arrived at MTCS. He was recognized for successfully creating and implementing this program which had well over three thousand hours of extra small group and one-on-one support. He won the “Outstanding Community Partner Award” from the University of Minnesota.

Collaboration is Brady’s leadership style. He works hard to involve everyone in the process and seeks data to make decisions that would be best for the students. Brady is always willing and able to communicate what he believes would be best for the students. He goes the extra mile as well as has a can do attitude all the time.

Brady just won the “2016 President’s Community Partner Award” which is an award for a community-based organization that has enhanced the quality of life in the community in a meaningful and measurable ways and has engaged in the development of sustained, reciprocal partnerships with the college or university, thus enriching educational as well as community outcomes.

As you can probably tell, Mr. Fossenbell is easy to get to know, be inspired by and to work with. If you have any questions or would like more information about Brady, please feel free to call or email me. My personal cell phone number is (320)224-2912. My work cell is (612) 281-8682 and email is tschultz@emailmtcs.org.

Sincerely,

Tamara L. Schultz
